Derek/Dan,

Did not know the permit cost to use the field at Hollywood park would be so high over \$1,000.....is there a way to ask Mayor Garcetti and Councilmember O'Farrell to assist with this cost? Any assistance would be greatly appreciated. Derek please let me know if there is something we can work out possible waiving fee for community benefit or other ideas. We are running on a very tight budget as we are trying to keep this event free with food, movie and resources from public services to education non-profits. Again we will be partnering with After School All Stars and Youth Policy Institute both non-profits to give out school supplies to children in need in the Hollywood community. Any suggestions or help would be much appreciated from the Assemblymember to make this a successful event for the Central Hollywood community. Thank you both.

Sincerely

Valerie,

The insurance letter you requested for the Hollywood Resource Fair is attached. Please let me know when you have a permit/maintenance cost so I can ask Councilmember O'Farrell's office to cover the cost.
